

Control Box

JCB35NH2PRO

TECHNOLOGY
DRIVES INTELLIGENT LIFE

Datasheet

JCB35NH2PRO

Features

- Number of control columns: 1-2
- Color: black
- Shell: ABS
- Assembly method: fixed on the tabletop or clamped on the frame
- Overload protection
- Overheat protection
- Short circuit protection
- Slow start and slow stop

Options

- 2.4G wireless box
- Bluetooth box
- Offline voice box
- N7 charging box
- Lithium battery
- W2 wireless charger

Usages

- Duty cycle:
 - S1-10min, continuous working for up to one minute within 10 minutes (matching Smart column, 120KG, 80mm/s)
 - S2-20min, continuous working for up to two minutes within 20 minutes (matching other columns, 120KG, 35-50mm/s)
- Usage environment: indoor
